Mohamed & Abdul Rahman Al-Othman Company (Al-Othman Trading & Contracting) is a 100% Saudi owned partnership company. It was founded in 1978 which has diversified activities in Trading, Contracting and Specialized Supplies and Services. These are covering Saudi industry in the Oil, Gas, Petrochemical and Downstream Sectors.

### **Technical & Industrial Services Division:**

This division serves the Industrial sector of Saudi Arabia in general and Hydrocarbon sector in particular. It represents number of European and American companies manufacturing various products from Process and Analytical Instruments, Non-Destructive Testing/ Inspection Equipment and high-quality Pumps & Motors for process industry.

*We represent the below manufacturers:*

	<p><b>Eddyfi Technologies, Canada</b>        Tube Inspection with Array / Surface Eddy Current Inspection with Array/ Corrosion Under Isolation Inspection through Pulsed Eddy Current. All the equipment's are now Array Capability.  <a href="http://www.eddyfi.com">http://www.eddyfi.com</a></p>
	<p><b>Silverwing NDT, UK (Eddyfi Group)</b>        MFL- Tank Floor Inspection/ Rapid Monitoring System RMS 2 screening and corrosion monitoring shell plates of Pressure vessel and storage tanks.</p>
	<p><b>TSC (Eddyfi Group)</b>        PACE ACFM- Detection and sizing of surface crack in metals through coatings without any chemicals.</p>
	<p><b>Teletest (Eddyfi Group)</b>        Focus+ Long Range Ultrasonic Testing of pipelines and Process Piping, Piping Screening to Piping Inspection by the principle of Guided Wave Ultrasonic</p>
	<p><b>M2M Co. France (Eddyfi Group)</b>        Phased Array Ultrasound technique, Time of Flight Diffraction TOFD with the powerful Real-Time Total Focusing Method (TFM) technique.</p>
	<p><b>Inuktun (Eddyfi Group)</b>        NDT Robotics Remotely operated crawler and camera system, MaggHD, Versatrax 50, Versatrax 100, Versatrax 150, onSpec Customs Solutions with ranges of cameras Spectrum 45, Spectrum 90, Spectrum 120HD.</p>
	<p><b>SciAps, USA- XRF Analyzers – USA</b>        Handheld and Desktop XRF Spectrometers for Non-Destructive Elemental Analysis.        X-300 XRF Analyzer and hand held carbon detector.  <a href="https://www.sciaps.com">https://www.sciaps.com</a></p>

	<p><b>InfraTec, Germany – GERMANY</b>          Thermal Imaging Cameras for Thermography  <a href="http://www.infratec.de">http://www.infratec.de</a></p>
	<p><b>MISTRAS Group (Physical Acoustic), UK</b>          MISTRAS Products &amp; Systems Division conceives, develops, and manufactures leading- edge technologies and products for Nondestructive testing (NDT) and Predictive Maintenance (PdM). These technologies include advanced Acoustic Emission (AE), Ultrasonics (UT), and Vibration monitoring.          - VPAC II System          - 360o POCKET UT THICKNESS METER  <a href="http://www.mistrasgroup.com">www.mistrasgroup.com</a></p>
	<p><b>Cygnus-Instruments, UK</b>          Ultrasonic Thickness Gauges, Wrist-Mountable Ultrasonic Thickness Gauge (Cygnus DIVE Underwater)  <a href="http://www.cygnus-instruments.com">http://www.cygnus-instruments.com</a></p>
	<p><b>SONOTEC, Germany</b>          Ultrasonic Testing Devices, Ultrasonic Testing, Non-Invasive Fluid Monitoring, Ultrasonic Transducers &amp; Sensors  <a href="http://www.sonotec.eu">http://www.sonotec.eu</a></p>
	<p><b>viZaar Industrial Imaging Co. (Now FORT.SA)</b>          Industrial Videoscopes/Borescopes, Rigid endoscopes, long range videoscope.  <a href="http://www.vizaar.de">http://www.vizaar.de</a></p>
	<p><b>Proceq – Switzerland</b>          High Quality Portable testing &amp; inspection equipment for Metal Hardness Testers UT thickness meter, Advanced PHASED ARRAY Ultrasonic Flow Detector 100 Concrete test and assessment equipment.  <a href="http://www.proceq.com">http://www.proceq.com</a></p>
	<p><b>Elektro Physik, Germany</b>          Paint Coating Thickness Gauges, Holiday Detectors, Roughness gauge, Multi coating gage.  <a href="http://www.elektrophysik.com">http://www.elektrophysik.com</a></p>

	<p><b>Spectroline Corp., USA</b> Radiometers/Photometers for NDT, UV Lamps, UV/White Light Videoscope and Leak Detection. <a href="http://www.spectroline.com">http://www.spectroline.com</a></p>
	<p><b>Parker Research, USA</b> Magnetic Particle Testing Instruments, gauss meter, magnetic coils. <a href="http://www.parkerndt.com">http://www.parkerndt.com</a></p>
	<p><b>NDT Seals Inc., USA</b> NDT Labels &amp; NDT Inspection Plugs <a href="http://www.ndtseals.com">http://www.ndtseals.com</a></p>
	<p><b>G.A.L. Gage Company, USA</b> Alignment, Measurement &amp; Weld Measuring Gauges <a href="http://www.galgage.com">http://www.galgage.com</a></p>
	<p><b>Streamlight Inc., USA</b> Rechargeable Industrial Flashlights <a href="http://www.streamlight.com">http://www.streamlight.com</a></p>
	<p><b>ITAG L&amp;R GmbH, Celle, Germany</b> Drill Stem Components · High Pressure Pipe Casing and Tubing · Drill Pipe · Drill Collars · Mandrels · Ship Shafts (Hollow) · Screw Spindels · Pull Rods Hollow Shafts · Welding and Cladding Services · Special products on request <a href="http://www.itag-celle.de">http://www.itag-celle.de</a></p>
	<p><b>PEAS 82 bv, Zeist, Netherlands</b> Pigging Solutions, Foam Pig, Cup Pig, Disc Pig, Spherical Pigs, Pig Signallers, Pipeline Tools, Intelligent Pigging Equipment, Pipe Testing Equipment and spares. <a href="http://www.peas.nl">http://www.peas.nl</a></p>
	<p><b>RESINEX Trading s.r.l, Milano, Italy</b> Floats, Buoys &amp; High Tech Elastic Beacons. <a href="http://www.resinextrad.com">http://www.resinextrad.com</a></p>
